22.06.2026

A meeting of summer school participants with staff members of the Institute of Economics, particularly those teaching courses as part of the SUMMER ECLIPSE summer school. The purpose of the meeting is to promote the master's programme in Economics and explain the reasons behind the selection of topics covered in the coming days of the summer school, bringing the participants' attention to the idea of specialty modules included in the programme and the idea of alternative paths that a student could follow in the course of study.

02.07.2026

Consultations with lecturers teaching on the Refinitiv Workshop for participants who need guidance in finishing their final projects for the microcrudential. Additional retake exam for students who failed their exam on 1.07.2026.
